

Design that informs/ and sells.

I'm a graphic designer and photographer in Amman. I make awareness campaigns, roll-ups and brochures for **Our Step Association**, product ads for **Jabal Ali Computer Trading**, and I shoot and edit the video myself.

Films for Our Step

Our Step supports people with mental disabilities and their families. I've worked with them since 2017 on media, photography, video and design, for projects funded by the European Union, USAID and UNDP. These are from their mental health work with FSPP in Ma'an, in partnership with Canada.

Jabal Ali, the contact sheet

Product ads for a computer supplies company in Amman, the official ZKTeco agent in Jordan. I designed the posts and sold through their social media: attendance devices, point-of-sale systems, cameras and accessories, each with the price and the specs a buyer needs.
