Our Step Association

Our Step supports people with mental disabilities and their families. I've worked with them since 2017 on media, photography, video editing and graphic design, for projects funded by the European Union, USAID and UNDP. The films here are from their mental health work with FSSP in Ma'an, in partnership with Canada.

Jabal Ali Computer Trading

Product ads for a computer supplies company in Amman, the official ZKTeco agent in Jordan. I designed the posts and sold through their social media: attendance devices, point-of-sale systems, cameras and accessories, each with the price and the specs a buyer needs.
